Owners Association

President's Message: George Dale

With the resort and summer activities in full swing, we have a lot going on. One of the most important resort business issues we have approaching us is the Board of director's election. As you look at the candidates for the year keep in mind this is a board of seven people who have volunteered to serve on the board. Many decisions this board makes are hard decisions that affect everyone. Some people will support the decisions and some won't. The important thing to remember is that no single board member makes the decisions it is a majority ruling. This includes issues or complaints brought to us by membership. We do ask that people submit the issue in writing. The reason we do this is, so we have a record of the complaint and who the issue was raised by. The issue or complaint is then sent to all the board members for input and or resolution. Again, it is not the decision of the president or the manager on what gets addressed by the board. Sometimes we all agree the issue can be addressed on a one on one basis with the complainant. I am saying this because as we vote for new board members it is important to understand they are part of an entire board of seven people that need to communicate with each other and make sound decisions about the resort business. Your vote is important, and everyone should take the time to vote. Please keep in mind the people on the board are residents also and we want to enjoy the resort as much as you. The decisions we make affect the people on the board also. I believe this current board has made good progress. The issues of the snow plowing, and the paving project were left for action to this board. I believe we have made good on those projects and many other smaller projects. When you vote please keep in mind the board is here to make the business decisions that affect the resort regardless if you're a full timer or you come to enjoy resort the part time.

This resort runs on volunteers from our community and we all appreciate what our volunteers do to help with projects and activities. Please remember the Board is made of people who have volunteered.

I encourage each one of you to vote,

George Dale

A Word from the Resort Manager

As I look back at all that spring tossed our way I have to take a sigh of relief! Relief that we were spared extreme flooding, relief that our community rose to the occasion and relief that I am fortunate enough to live in such an amazing place.

With June in the record books it is time to move on to July. As our nation prepares to celebrate its independence, we at Skookum have a busy calendar as well. With all the BBQ's, happy hours and social gatherings, it has always been an exciting month of fun and friendship.

From me to you, wishing all a safe and memorable 4th of July!

Ray Dilcox

Resort Manager

Happy 4th of July!

Editor's Comments—Danny Motola

Summertime and the living is easy—NOT. The Community is buzzing with volunteers removing debris left at the beach area by the receding flood waters, spreading red bark throughout the park and helping to erase all evidence of a 'broken spring'. We, personally, are really happy to put that season behind us and look forward, with renewed energy, to enjoying the camaraderie and activities in our wonderful community. Looking forward to meeting new faces and welcoming back our seasonal friends.

During those weird days of spring, we had the heartwarming pleasure of rediscovering how great a community we have. We moved as a unit and had a plan for every event. Thank you to each and everyone for demonstrating what unity can accomplish.

Danny

Election Committee

At this year's Annual Meeting in August, we anticipate three openings on the Board of Directors of Skookum Rendezvous Owners Association (SROA) and Camelot Shores Owners Association (CSOA). Attached are the candidates bios. We will be having a "Meet the Candidates" this Saturday, June 30, following the Pancake Breakfast. There will be a Candidates "Round Table" as was done last year, on Saturday, July 28 at 3 p.m.

DAVE McCARTER

Dave is owner of Lot G44. Dave sees people wanting to make the community better for everyone. He sees events that encourage involvement and participation from the masses. He sees people trying to make a difference. He wants to be a part of that. He wants to help the community grow and unite together to make our neighborhood the best it can be.

Dave has been volunteering for years and sees it as important to give back to the community. He values and considers all perspectives whenever possible. He has been employed in the construction field for over 35 years and has held various positions up to an owner. He received a Bachelors Degree in Construction Management.

Dave has served on several boards: Engineered Structures, Inc. Field Advisory Board, Boise, ID; Senior Housing Authority Board, North Pole, AK; and Water Commission Board, North Pole, AK.

JOHN CAMERON

John owns Lot G48 and has been a lot owner for 6 years. He is a year round resident. John intends to continue working together to accomplish the goals of the resort. He is also willing to accept an officer position as determined by the new board.

As a new board member 2 yrs. ago, John worked mainly on projects; building the Guinevere Dumpster site, culvert drainage issues, acquiring road bids and securing our boat launch access. Due to contractor issues he handled the purchase of the Truck and Plow as well as maintaining the roads last winter

RAY DILCOX

Ray has been a lot owner for 14 years; he owns Lots 57 and 14 and spends 8 months of the year at Skookum.

Ray's years in the hospitality industry operating a location that saw 7000 guests a week, with a staff of 135, exposed him to many experiences that overlap our association. Following that, he was part of the management staff at StoneRidge and was highly exposed to the inner-workings of their multiple HOAs.

Ray was elected to our BOD in 2012 at the time the developers initiated transition and has served since. He currently holds the position of President of the Camelot Shores Owners Association and the acting Property Manager for Skookum Rendezvous.

CANDIS SELHAY

Candis has been a lot owner for 14 years. She owns Lots 18, 19, 20 & 96. She resides in Skookum about 7 ½ months every year. Her goal is to enhance, protect and preserve our beautiful resort.

Candis is a charter member of the Skookum/Camelot Boards of Directors, and has served as Treasurer for many years. She has also served on the board at their winter resort. She is a retired CPA. Her career was spent, almost entirely, in accounting management. She brings both her management, accounting skills and experience to the board.

CAROLYN HERZOG

Carolyn is a year round resident. She owns Lot G55 in Guinevere. She would like to help keep Skookum & Camelot owners' lifestyles operation at an optimum level here at the resort, and can be available where needed. She enjoys working with others as a team member and is capable of taking a lead role where needed.

Carolyn has served on several non-profit boards, her main responsibility has been acting as treasurer, in addition to holding various other officer positions. She has been with an insurance agency for 27 years, holding various positions such as bookkeeper, accountant and controller. She currently manages a team of 5 and processes all the accounting operations.

Fun fact: She got her first accounting job because she told them she loves to do bank reconciliations.

ACTIVITIES COMMITTEE—Maggie

At Skookum, everyone is part of the Activities Committee. On those great Usk evenings when friends and neighbors gather, it isn't impossible for someone to offer up a great idea for a thing to do. The idea may include just your friends, your street, or it might include all of Skookum. Feel free to execute! For example, last month Roger Laws shared a piece of the Northwest history with us. He showed a short DVD of the last log drive. The DVD explained how the men lived during the drive, the brutal elements and danger these men experienced. It was doubly meaningful because as a boy, logging and log drives were a part of his life. His talk and the DVD were fascinating. And what's a movie without popcorn? The Rings and the Herzogs had an idea for a gathering—A fun Night Out at Lake Guinevere. With lots of neighbors they pulled it together and even the rain couldn't discourage over 50 folks who were ready to party—and did!

Fund raising for the Volunteer Fire Department and Cusick schools remain a part of the Activities Committee's support for our community. From time to time, there will be raffles and 50/50's. **Watch for special emails!**

7/7 The next **GET THE SCOOP** will be held at 9:30. Jon Carman, running for Sheriff, will be speaking. Bring your questions. His opponent, Glen Blakslee, will be joining us in August. Diane Shantz will be providing the pastries – and if you were fortunate enough to try any of her pastries from the Fire Fighters Fundraiser last year – you know how amazing her baking is! (There will be a 50/50 that morning). The Activities Committee will meet immediately after GET THE SCOOP at 10:30 to plan for August. Come and share your ideas. All are welcome.

7/14 In conjunction with the Volunteer Fire Fighters, Diane will be hosting Cook the Cookbook from 11:am to 1:00. You will be receiving an email explaining all the activities including the raffle of a beautiful hand-made quilt donated by Cheri Gamble.

MORE IN JULY! Jill Harris, from Water Aerobics, is planning an evening for couples.

7/21 She has also volunteered to organize a bocce ball/croquet tournament and a parade, assisted by Caroline Herzog and Chelsea Goodner. Ray Dilcox has volunteered to do some outdoor grilling. It will be a fun day for the entire family.

7/24 (Tuesday) the guys will meet for the Men's Breakfast.

7/27 Phyllis Morris and Bob Taylor volunteered to host a Wine Tasting Event, there will be another raffle of a wine picnic backpack.

7/31 There will be a Ladies Luncheon, suggestions welcome. And, as the summer heats up, don't be surprised if there's an ICE CREAM BREAK at the lodge.

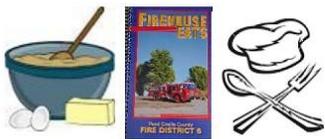

Firehouse Chat—Craig Shantz

Can you believe it's July already? Summer is in full swing and now more than ever we need to be FireWise. Be sure to clear a defensible space around your lot. Be aware of all campfire and burning regulations and when in doubt, don't hesitate to ask any of your local firefighters. As a reminder, in any emergency, whether fire or medical, the first priority is to always call 911.

Your Fire District 6 firefighters have been training and responding on quite a few calls this past month including being sent as mutual aid on the apartment fire in Newport. We also participated in a live burn training with South Pend Oreille Fire and Rescue personnel.

“COOK THE COOKBOOK”

“COOK THE COOKBOOK”

SATURDAY, July 14TH @11-1:00 PM

In the Lodge Clubhouse

Your Fire District 6 Firefighters have compiled a cookbook of "Firehouse Eats" as a fundraiser. Come enjoy a taste of food items from each category of the cookbook:

- Appetizers & Beverages
- Soups and Salads
- Vegetables & Side Dishes
- Main Dishes
- Breads & Rolls
- Desserts
- Cookies & Candy

We hope to see you there! Cookbooks will be available to purchase.

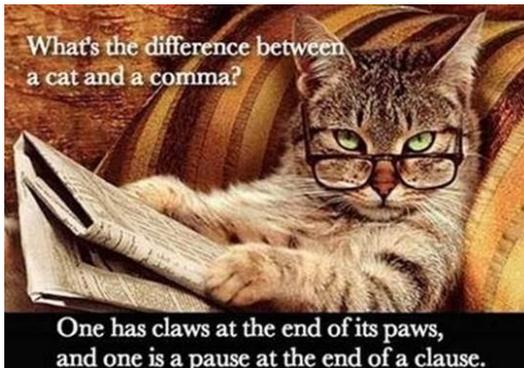

Please mark your calendars for July 14th at the Clubhouse from 11am to 1pm for the "Cook the Cookbook" event. Along with tantalizing your tastebuds with samples of recipes from the Cookbook we are selling as a fund raiser this year, District 6 EMTs will be providing blood pressure checks. There will also be demonstrations of the equipment we bought with your generous donations last year: 12 lead EEG monitor, Thermal Imaging Camera, and extraction tools.

We hope to see all of you there and as always be Safe!
